

# Notice of Annual General Meeting

The Board of Costa Group Holdings Limited ACN 151 363 129 (the “Company”) has decided to hold its Annual General Meeting (“AGM”) for the financial year ending on 27 December 2020 (“Financial Year”) in a hybrid format. Subject to public health guidance, there will be a physical meeting, which may be subject to capacity limits, and shareholders will also be able to attend and participate online. Any changes to the way shareholders are able to attend or participate in the AGM (including with respect to any regulatory changes or public health directives) will be announced by the Company on ASX before the AGM.

As such, notice is hereby given that the AGM of the Company for the Financial Year will be held on 27 May 2021 at 11.00am (AEST) for the purposes of transacting the business set out in this notice.

The constitution of the Company permits the use of technology to facilitate a meeting of members at two or more venues. Those members who attend virtually will be considered present and will have the ability to ask questions and vote on resolutions in real time. This approach is consistent with existing regulatory guidelines in place as at the date of this document. The Company encourages all members to participate in the manner set out below.

## How Members Can Participate

1. A physical meeting, at which members may ask questions and vote will be held at King & Wood Mallesons, Level 27, Collins Arch, 447 Collins Street, Melbourne, Victoria. The ability for shareholders and others to attend the physical meeting may be subject to a capacity limit if required in order to comply with public health directives, in which case shareholders will be given priority to attend the physical meeting. Any applicable capacity limits will be announced on ASX closer to the date of the meeting in line with up to date public health guidance. Attendance at the physical meeting will also be subject to attendees complying with any COVID-safe measures that the Company considers necessary or prudent at the time of the meeting.

All attendees are asked to stay home if they have experienced flu like symptoms such as cough, fever, sore throat, headache or shortness of breath or loss of smell, in the 14-day period preceding the AGM.

2. For members who are not able to or would prefer not to attend the AGM in person, a live webcast and electronic voting via a dedicated online platform will be offered to allow members to participate in the meeting, including the ability to watch the AGM live and see the AGM presentation materials, vote and ask questions. Members can access the platform at <https://agmlive.link/CGC21>. Detailed instructions on how to participate are available in the Online Platform Guide that can be found at: <http://investors.costagroup.com.au/Investor-Centre/>.

3. Members can vote during the meeting (in person, or by using the online platform if attending virtually) or can vote directly or appoint a proxy prior to the meeting. Members who are unable to attend the AGM in person or by virtual means are strongly urged to vote in advance or appoint the Chair of the AGM as their proxy. Members can complete the proxy form to provide specific instructions on how their vote is to be exercised on each item of business, and the Chair of the AGM must follow those instructions. Additional details on voting in advance or appointing a proxy are set out on page 3 of this notice.

4. Members are encouraged to submit questions ahead of the AGM to the Company (or the Company’s Auditor), as there may not be sufficient time to respond to all questions raised during the AGM. Questions may be submitted prior to the AGM online by logging onto your Link Holding account and navigating to the voting section at <https://investorcentre.linkmarketservices.com.au/Login/Login> or by email to [investors@costagroup.com.au](mailto:investors@costagroup.com.au).

To enable sufficient time for questions raised in advance to be considered and responded to in sufficient detail at the AGM, the Company requests that they be received as early as possible but must be received no later than 11am (Melbourne time) on 25 May 2020.

## Information regarding voting

### 1. Entitlement to attend and vote

In accordance with Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) and ASX Settlement Operating Rule 5.6.1, the Directors have determined that a shareholder's entitlement to vote at the AGM is as set out in the Company's share register as at 7:00pm (Melbourne time) on 25 May 2021. In the case of joint shareholders, all holders may attend the AGM but only one holder may vote at the AGM in respect of the relevant shares (including by proxy). If more than one joint holder is present, and more than one of the joint holders votes in respect of the relevant shares, only the vote of the joint holder whose name stands first in the register in respect of the relevant shares is counted. A corporate shareholder may appoint one or more persons to act as its representative(s), but only one representative may exercise the corporate shareholder's powers at any one time.

*Transactions involving shares in the Company registered after 7:00pm (Melbourne time) on 25 May 2021 will be disregarded in determining the shareholders entitled to attend and vote at the AGM.*

### 2. Vote or appoint a proxy prior to the AGM

**Voting form:** Shareholders who have registered a preference for electronic communication will be able to access an electronic voting form that will enable a direct vote or a proxy appointment. A voting form will accompany this notice if you receive paper-based communications.

**Appointing a proxy:** If you are entitled to attend and vote at the AGM, you may appoint:

- a person; or
- if the shareholder is entitled to cast two or more votes at the AGM, two persons,

as your proxy or proxies to attend and vote for you at the AGM. A "person" can be an individual or a body corporate; if you appoint a body corporate as a proxy, that body corporate will need to ensure that it appoints an individual as its corporate representative to exercise its powers at the AGM and provide satisfactory evidence of the appointment of its corporate representative prior to the commencement of the AGM, in accordance with the instructions set out in Note 3 below. A proxy need not be a shareholder.

**Maximum of two proxies:** You may appoint a maximum of two proxies and may state on the proxy form what proportion or number of your votes each proxy is being appointed to exercise. If you appoint two proxies and do not specify the proportion or number of votes each proxy may exercise, each of the proxies may exercise half of your votes.

**Deadline for receipt:** The Company must receive at least 48 hours before the AGM (ie. by 11:00am (Melbourne time) on 25 May 2021):

- your completed voting form; and
- if you sign under power of attorney or corporate representative, that power of attorney or corporate representative appointment or a certified copy of it.

Any voting form received after this deadline will be invalid.

**How to send:** The voting form (and any authority appointing an attorney or corporate representative) must be:

- sent by post to the Company's registry:  
Costa Group Holdings Limited  
C/ - Link Market Services Limited  
Locked Bag A14  
Sydney South NSW 1235  
Australia
- sent by fax to the Company's registry on +61 2 9287 0309; or
- lodged online at [www.linkmarketservices.com.au](http://www.linkmarketservices.com.au).

**How and when a proxy must vote:** If the appointment of a proxy specifies the way the proxy is to vote on a particular resolution:

- if the proxy is not the Chairman of the AGM, the proxy need not vote on a poll but if the proxy does so, the proxy must vote as directed (subject to any applicable voting restrictions); and
- if the proxy is the Chairman of the AGM, the proxy must vote on a poll and must vote as directed.

**Default to the Chairman of the meeting:** If:

- a shareholder has appointed a proxy other than the Chairman of the AGM; and
- the shareholder's proxy either:
  - is not recorded as attending the AGM; or

- attends the AGM but does not vote on the resolution,

then the Chairman of the AGM will, before voting on the resolution closes, be taken to have been appointed as the proxy for that shareholder for the purposes of voting on that resolution. In these circumstances, the Chairman of the AGM must vote in accordance with any written direction of that shareholder.

**Directing proxy votes:**

We encourage shareholders who are appointing proxies to direct their proxies how to vote on each resolution by crossing either a “For”, “Against”, or “Abstain” box before lodging their proxy form so that, subject to any applicable voting exclusions, their proxy will vote on their behalf in accordance with their instructions.

The Chairman intends to vote undirected proxies on, and **in favour** of, all the proposed resolutions.

If there is a change in how the Chairman intends to vote undirected proxies, the Company will make an announcement to the market.

### 3. Body corporate representative

Any corporation wishing to appoint a person to act as representative at the AGM may do so by providing that person with:

- a “Certificate of Appointment of Corporate Representative”, the form for which can be obtained from the Company’s registry; or
- a letter or certificate authorising the person to act as the corporation’s representative in accordance with the corporation’s constitution; or
- a copy of the resolution appointing the representative, certified by a secretary or director of the corporation.

### 4. Voting

Voting on all resolutions set out in this notice of meeting will be conducted by poll. Upon a poll, every shareholder who is present in person or by proxy, representative or attorney will have one vote for each share held by that shareholder.

### 5. Annual Report information

The Company’s Annual Report for the Financial Year is being sent to shareholders who have elected to receive an Annual Report. A copy of the Company’s Annual Report is available to shareholders upon request and can be viewed at <http://investors.costagroup.com.au/investor-centre> or an electronic or printed copy can be requested from the Company’s registry.

## Explanatory notes on the business to be transacted at the AGM

### Item 1 – Consideration of Reports

The Financial Report for the Company and its controlled entities, the Directors' Report and the Auditor's Report for the Financial Year as set out in the Company's Annual Report for the Financial Year will be presented for consideration at the AGM. Shareholders will be given a reasonable opportunity to ask the Auditor questions about the conduct of the audit and the content of the Auditor's report.

### Item 2 – Remuneration Report

In accordance with the Corporations Act 2001 (Cth) ("**Corporations Act**"), the Company is required to present the Company's Remuneration Report to shareholders for consideration and adoption at the AGM. The Remuneration Report is located on pages 33 to 46 of the Company's Annual Report for the Financial Year and is also available on the Company's website [www.costagroup.com.au](http://www.costagroup.com.au).

The Remuneration Report:

- explains the structure of and rationale behind the Company's remuneration practices and the link between the remuneration of employees and the Company's performance;
- sets out remuneration details for each director and each other member of the Company's key management personnel; and
- confirms that the basis for remunerating non-executive Directors is distinct from the basis for remunerating executives, including executive Directors.

The remuneration framework adopted by the Board is designed to attract and retain key talent, reward the achievement of strategic objectives and align rewards with the creation of shareholder wealth. Where appropriate, the Company obtains independent input to confirm the appropriateness of these arrangements. Shareholders will have a reasonable opportunity to ask questions and comment on the Remuneration Report at the AGM. The vote on this resolution is advisory only and does not bind the Directors or the Company. Nevertheless, the Board will take into account the outcome of the vote when considering the future remuneration arrangements of the Company. Further, under the Corporations Act if at least 25% of the votes cast on this resolution and the

relevant resolution at next year's AGM are voted against adoption of the Remuneration Report and next year's remuneration report, the Company will be required to put to shareholders a resolution proposing the calling of an extraordinary general meeting at which all Directors of the Company (other than the Managing Director) will cease to hold office and stand for re-election ("**Spill Resolution**"). In these circumstances, the Spill Resolution would need to be considered at next year's AGM.

### Directors' recommendation

Noting that each Director has a personal interest in their own remuneration from the Company as described in the Remuneration Report, the Board recommends that shareholders vote **in favour** of the resolution in Item 2.

### Voting Exclusion – Item 2

The Company will disregard any votes cast (in any capacity) on the resolution in Item 2, by or on behalf of a member of the Company's key management personnel (including the Directors), details of whose remuneration are included in the Remuneration Report ("**KMP**") or their closely related parties, whether as a shareholder or as a proxy, except that a vote may be cast on the resolution in Item 2 by a KMP, or a closely related party of a KMP, if:

- the vote is cast by a proxy for a person entitled to vote, and that person has directed the KMP or their closely related party (as proxy) how to vote on the item on the voting form; or
- the Chairman of the AGM, as proxy for a person entitled to vote, votes in accordance with an express authority on the voting form to vote undirected proxies as the Chairman sees fit even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

### Item 3 – Re-election of Peter Margin as a Director

Peter Margin offers himself for re-election and, if re-elected, will be appointed for a term that commences from the conclusion of this year's AGM and concludes at the conclusion of the Company's AGM in 2024 (a period of approximately 3 years).

Mr Margin has served as a Director of the Company since 24 June 2015 and is the Chair of the Remuneration and Human Resources Committee and a member of the Audit and Risk Committee and Nomination Committee. The Board has assessed Mr Margin to be an independent director in accordance with the ASX Corporate Governance Principles and Recommendations 4<sup>th</sup> Edition.

Mr Margin has many years of leadership experience in major Australian and international food companies, including Executive Chairman of Asahi Beverages ANZ, Chief Executive of Goodman Fielder Ltd and Chief Executive and Chief Operating Officer of National Foods Ltd. Peter has also held senior executive roles in Simplot Australia Pty Ltd, Pacific Brands Ltd, East Asiatic Company and HJ Heinz Company Australia Ltd.

Mr Margin is currently a Non-executive director of Nufarm Ltd and the Deputy Chair of Bega Cheese Ltd. Mr Margin was previously a Non-executive director of the NSX listed company Ricegrowers Ltd, Chairman and Non-executive director of Huon Aquaculture Ltd, and a Non-executive director of PMP Ltd and PACT Group Holdings Ltd.

#### Directors' recommendation

The Board undertakes a regular review of its performance, policies and practices. The review includes an assessment of the performance of each Director, their experience and skills. This is taken into account by the Board in determining whether to endorse Directors standing for re-election and anyone offering themselves for election as a Director. The Directors (with Mr Margin abstaining) recommend that you vote in favour of the resolution in Item 3.

### Item 4 – Re-election of Tim Goldsmith as a Director

Tim Goldsmith offers himself for re-election and, if re-elected, will be appointed for a term that commences from the conclusion of this year's AGM and concludes at the conclusion of the Company's AGM in 2024 (a period of approximately 3 years).

Mr Goldsmith has served as a Director of the Company since 1 September 2018. He is Chair of the Audit and Risk Committee and member of the Remuneration and Human Resources Committee and Nomination Committee. The Board has assessed Mr Goldsmith to be an independent director in accordance with the ASX Corporate Governance Principles and Recommendations 4<sup>th</sup> Edition.

Mr Goldsmith has extensive corporate experience gained from over three decades of working in Australia and internationally. He previously worked as a partner at PricewaterhouseCoopers (PwC) for over 20 years, which included leading PwC's National China desk.

Mr Goldsmith is currently President and CEO of Rincon Mining Pty Ltd, an unlisted mine development company, and Non-Executive Chairman of Hazer Group Ltd and Angel Seafood Holdings Ltd.

#### Directors' recommendation

The Board undertakes a regular review of its performance, policies and practices. The review includes an assessment of the performance of each Director, their experience and skills. This is taken into account by the Board in determining whether to endorse Directors standing for re-election and anyone offering themselves for election as a Director. The Directors (with Mr Goldsmith abstaining) recommend that you vote in favour of the resolution in Item 4.

## Items 5 and 6 – Managing Director’s entitlement to securities under CY21 remuneration package

The Board has set Mr Hallahan’s remuneration package with the aim of ensuring that Mr Hallahan’s remuneration package is market competitive, reasonable and creates adequate incentives for both short term and long term financial performance, strategic growth and creation of shareholder value.

Mr Hallahan’s current remuneration package, for CY21, is comprised of:

- (a) total fixed remuneration of \$850,000;
- (b) a short term incentive opportunity of \$382,500 at CY21 target earnings performance (with a maximum of \$595,000 if stretch targets and personal metrics are achieved); and
- (c) a long term incentive opportunity comprising long term incentive options with a value of \$297,500<sup>1</sup>, subject to shareholder approval being obtained,

being a total of \$1,530,000 if CY21 target earnings are achieved (and a maximum of \$1,742,500 if stretch targets are achieved).

The non-executive Directors have concluded that the remuneration package for Mr Hallahan (including the proposed grant of securities under the short term incentive (“STI”) Plan and the long term incentive (“LTI”) Plan) for CY21 are reasonable and appropriate having regard to the circumstances of the Company and the duties and responsibilities of Mr Hallahan.

Accordingly, the non-executive directors recommend that shareholders vote **in favour** of the resolutions in Items 5 and 6.

### Why the Company is seeking approval – Items 5 and 6

Under the ASX Listing Rules, the Company must seek shareholder approval to grant securities to any director of the Company under an employee incentive scheme. Although Mr Hallahan was not yet a director at the time that the CY21 STI Plan and CY21 LTI Plan were established and hence shareholder approval was not required at that time, in the interests of good governance the Board decided to delay Mr Hallahan’s participation

in those plans and to seek shareholder approval. Accordingly, as the deferred component of the Company’s CY21 STI Plan involves performance rights and the Company’s CY21 LTI Plan involves options, the Company seeks approval for Mr Hallahan’s participation in both the deferred component of the CY21 STI Plan (Item 5) and the CY21 LTI Plan (Item 6) and subsequently, any resulting issue or transfer of shares in the Company to Mr Hallahan. Details of the CY21 STI Plan and CY21 LTI Plan are set out below.

Details of any securities issued to Mr Hallahan under the CY21 STI Plan and CY21 LTI Plan will be published in the annual report of the Company relating to the period in which they have been issued, together with a note that approval of the issue was obtained under ASX Listing Rule 10.14. For the purposes of ASX Listing Rule 10.15.2, Mr Hallahan falls within Listing Rule 10.14.1 due to his role as a director of the Company.

Any additional persons referred to in ASX Listing Rule 10.14 who become entitled to participate in the CY21 STI Plan or CY21 LTI Plan after the resolutions in Items 5 and 6 are approved and are not named in this notice of meeting will not participate in the relevant plan until approval is obtained under ASX Listing Rule 10.14.

### Managing Director’s CY21 STI Performance Rights – Item 5

Under the CY21 STI Plan, Mr Hallahan is entitled to an STI award. At target, the STI award will be equal to 45% of his total fixed remuneration (“TFR”), with an opportunity to receive a maximum STI award equal to 70% of his TFR.

The exact amount of the STI award which Mr Hallahan will receive, if any, will be subject to performance measures linked to the Company’s financial performance and Mr Hallahan’s individual performance over the financial year, with the maximum STI award only being realised if a specified stretch target is achieved. The performance measures will be set by the Board each year. Consistent with the prior year’s STI Plan, CY21 STI targets are based on financial performance relative to Board determined budgets (as to 80%) and personal components (as to 20%). Financial measures are EBIT (before SGARA) and cashflow generation. The individual performance measures for CY21 will relate to key business drivers, which will be set by the Board and may include measures related to safety,

<sup>1</sup> Total value of LTI Options to be issued to Mr Hallahan as part of the CY21 LTI Plan, as at the date that the LTI

Options were approved by the Board being 19 February 2021.

quality, people, risk management and execution of key projects.

Where Mr Hallahan becomes entitled to receive an STI award, it will be paid in the following way:

- (a) two thirds of the STI award will be paid in cash following the end of the performance year; and
- (b) one third of the STI award will be deferred for 12 months in the form of performance rights granted under the Company's CY21 STI Plan ("**STI Performance Rights**").

Mr Hallahan has not previously been allocated any performance rights under the CY21 STI Plan, but 28,795 performance rights have previously been allocated at no cost to Mr Hallahan under prior year STI plans in his capacity as Chief Operating Officer.

#### **Terms of the STI Performance Rights – Item 5**

Each STI Performance Right is a right to receive one ordinary share in the Company upon vesting. The STI Performance Rights will automatically vest on 1 March 2023, however they will lapse if prior to vesting, Mr Hallahan ceases to be an employee and the Board determines that he is not a "good leaver" under the terms of the CY21 STI Plan.

In addition to conveying a right to receive an ordinary share in the Company, each of the STI Performance Rights will convey a right to receive cash payments equal to the value of the dividends paid by the Company from time to time on one ordinary share during the period the performance right is held.

#### **Managing Director's CY21 LTI Options – Item 6**

Mr Hallahan is also eligible to participate in the Company's CY21 LTI Plan with a three year performance period commencing from 28 December 2020 to the end of the Company's 2023 financial year ("**Performance Period**"). The three-year Performance Period is consistent with

performance periods adopted for previous LTI plans.

Under the CY21 LTI Plan, Mr Hallahan is entitled to receive options to acquire ordinary shares in the Company ("**LTI Options**") valued at \$297,500<sup>2</sup>, being 35% of his total fixed remuneration for CY21. Based on an independent valuation conducted by Ernst & Young, which valued each LTI Option at \$1.15, Mr Hallahan is entitled to receive 258,695 LTI Options under the CY21 LTI Plan.

The number of LTI Options that vest at the end of the Performance Period will depend on the Company's performance during the Performance Period against performance hurdles which have been set by the Board, being an earnings per share ("**EPS**") hurdle and a strategic growth hurdle. Consistent with the performance hurdles adopted for the previous LTI plans, when setting the performance hurdles for the CY21 LTI Plan the Board considered that:

- dual measures provide a more balanced approach than relying on a single measure;
- a strategic growth hurdle that drives sustainable long term value creation, via strategic growth and diversification, remains suitable during this stage of the Company's growth cycle; and
- as the Company does not have direct competitors in the ASX, comparative measures such as relative total shareholder return measured against a selected comparison group are less suitable measures of shareholder return than an EPS hurdle.

Accordingly, the Board adopted an EPS hurdle and a strategic growth hurdle for the CY21 LTI Plan.

Mr Hallahan has not previously been allocated any LTI Options under the CY21 LTI Plan, but 711,260 LTI Options have previously been allocated at no cost to Mr Hallahan under prior year LTI plans, with exercise prices ranging from \$2.44 to \$7.42, in his capacity as the Company's Chief Operating Officer.

<sup>2</sup> Total value of LTI Options to be issued to Mr Hallahan as part of the CY21 LTI Plan, as at the date that the LTI

Options were approved by the Board being 19 February 2021.

## Terms of the LTI Options – Item 6

Key terms of the LTI Options are as follows:

If he elects a cashless exercise, he will be issued with a lower number of shares, calculated in accordance with the following formula:</p>										

*(A minus B) divided by C, where:*

*A = Number of shares to which each vested LTI Option relates (ie. 1) x Number of vested LTI Options exercised x C*

*B = Number of vested LTI options exercised x Exercise price*

*C = Market price per share, being an amount equal to the volume weighted average price of a share recorded on the ASX over the 10 ASX trading days immediately preceding the date on which the market price is to be calculated or, if no sale occurred during such period, the last sale price of a share recorded on the ASX prior to that period.*

Sale restriction	50% of shares delivered on the exercise of the vested LTI Options will be subject to a restriction period (during which the shares cannot be sold or otherwise dealt with) which will end on the earlier of:
	<ul style="list-style-type: none"> <li>(i) 12 months following vesting; and</li> <li>(ii) the date that Mr Hallahan ceases employment with the Company.</li> </ul>
Service conditions	If Mr Hallahan ceases employment before his LTI Options vest due to termination for cause, all of his unvested LTI Options will lapse at cessation.
	Where Mr Hallahan ceases employment for any other reason (which generally includes “good leaver” circumstances such as death or disability), a pro-rata number of unvested LTI Options, based on the proportion of the Performance Period served (or a lesser number of LTI Options determined by the Board, which may be zero) will generally continue on-foot and be tested at the end of the original vesting date against the relevant performance conditions. However, the Board has discretion to apply any other treatment that it deems appropriate in the circumstances.
Change of Control	The Board has discretion to determine an appropriate treatment for unvested and/or vested, but unexercised, LTI Options.
Clawback	The Board has the discretion to clawback unvested and/or vested, but unexercised, LTI Options in the case of fraud, gross misconduct and other prescribed circumstances.
